Dear Parents/Carers

Free Courses for Parents in Child Mental Health

Due to Government Funding in the Adult Education Budget, The Aim Group have offered **Eggbuckland Community College** several **Free** online Level 2 Accredited Courses available to Parents to help better understand some key issues around young people's mental health and wellbeing.

Some of the most popular courses that are available:

- **Children and Young Peoples Mental Health** (understand factors which may affect Young Peoples mental health, the impact that they have and how to support them with these issues)
- **Understanding Autism** (learn how individuals process sensory information, understand characteristics, conditions, and how speech, language and communication differ in people with Autism)
- **Understanding Behaviour That Challenges in Children** (supporting positive behaviour, effective communication & how to manage challenging behaviour)
- **Bullying in Children and Young People** (develop your understanding of bullying, including how to recognise that bullying is taking place and how to take action to stop it)
- **Special Educational Needs and Disability** (a detailed understanding of Special Educational Needs and Disabilities, including equality and diversity in the context of SEND)

On average the courses can take between **20-40 hours** to complete (dependent on everyone's learning ability) within in a **6-week window** and are completed on a laptop or computer at the learner's home. No Exams, end point assessments are involved, the courses are purely Q&A based and are available to you 24/7. **You can do as many as you like**, however you can just do one at a time.

The only criteria the learner must meet to be eligible, is the following:

- Aged 19 or over on or before 31st August 2020
- Have lived in the UK/EU for 3+ years
- Not already on a Government funded course (Apprenticeship for example)

Eggbuckland Community College Academy Trust is an exempt charity and a company limited by guarantee, registered in England and Wales with Company Number 8603078 and has a registered office at Westcott Close, Eggbuckland, Plymouth, Devon, PL6 5YB

The course is completely free, but the learning provider reserves the right to charge a drop out fee in the event a learner enrolls but then drops out without providing a reason (please note this is down to the individual and not the College). That said, extensions can be granted if the learner has a reason as to why they are unable to complete it within the 6 weeks.

Please note: under the College request any learners accessing a fully funded level two will be required to complete a simple BKSBS around English, Maths, and ICT (this is estimated to take 45 mins).

If you are interested in undertaking one of these Free Online courses, then please complete the following link as soon as possible. You will then be contacted by the Aim Group and they will send over the relevant Enrolment details and of course, answer any questions you have.

Please use this link by 25th July to ensure you get set up and enrolled on your chosen course.
