

## **Year 12/13 Sport Summer task 2020**

The first unit of course work you will be covering next year in 2020/2021 is titled **Unit 3** '**Professional Development in the Sports Industry**' - the following tasks will enable you to get a feel for the unit and an idea of what job opportunities are available to you within the sport sector.

### **Tasks**

**1 - Find out about two jobs in the sports industry (something you maybe familiar with or something you are interested in)**

**An example of these can be:**

**Sports and Leisure industry:**

- **Duty Manager of a leisure centre or holiday park**
  - **Sports coach, outdoor instructor or sports journalist**
  - **Nutritionist**
  - **Sports therapist**
  - **Physiotherapist**
  - **Coach**
  - **Physical education teacher**
- **You must do the following:**
  - Summarise the job this is a written task:
  - What is required for you to do this job
    - Skills
    - Qualifications
    - Work experience
    - Time to qualify
    - Education needed/ college, further education and university.

### **2 – CV**

**You must update your CV this needs to be no longer then 2 pages of A4 and allow me to have a look and see where your strengths and weaknesses lie. You can add in all additional qualifications that you already have or pending qualifications you know you will be receiving this summer.**

### **3 - Personal skills audit**

**Written Report – this is for you to tell me what you have done so far in your life! It needs to be written as a short report (this is not a bullet point task or for you to produce a CV I want to see how you write and structure a piece of work!)**

- Personal interests
- Accomplishments
- Qualities
- Academic and sector specific qualities
  - GCSE's and coaching awards
- Employability skills e.g. hard working

- Give reasons of why your skills are appropriate for employability.

This needs to be printed and back to Miss Sprake before your first lesson in September 😊

Thanks Miss Sprake
