

[illegible][illegible]

Weighting

Exam	100
Identifying and investigating design possibilities	15
Developing a brief and specification	15
Generating and developing design ideas	25
Manufacture of a prototype	25
Analysing, evaluating and design decisions	20

AS grade weighting

Topic	Weighting (%)
Design	50
Manufacturing	20
Materials	15
Problem Solving	10
Joining	5
